2. Introduction

In 2000 Manuel Wimmer started his studies of Business Informatics at the Vienna University of Technology. During that time he was tutor at the Institute of Software Technology and Interactive Systems for the following courses: "Einführung in die Programmierung für Wirtschaftsinformatik", "Web Engineering" and "Objektorientierte Analyse und Entwurf". From March 2004 to March 2005, he worked as a Teaching Assistant at the Business Informatics Group (BIG). His work focused the Unified Modeling Language 2.0 (UML2) and Model Driven Architecture (MDA). In March 2005 he received his MSc. (Magister rer. soc. oec.) and joined the BIG as a University Assistant.
